

PRECISION-BUILT COMMERCIAL KITCHENS

Design, fabrication and installation for **restaurants,**
hotels and **catering facilities** across the UAE.

ABOUT US

YOUR PERFECT PARTNER FOR COMMERCIAL & INDUSTRIAL KITCHEN SOLUTIONS

Al Mufeed Kitchen Industries LLC (MKI) was formed with the objective of being the perfect solution provider for all types of kitchens, bakeries and hypermarkets — an innovative partner for the hospitality industry, delivering efficient service with a genuine touch of quality in every product and project.

MKI is led by a team of experts with deep experience across operations and marketing. Our expertise spans layout, design, planning, fabrication and installation — tailored to each client's individual requirements and budget, so every client receives a complete package for their kitchen.

WHAT WE DO

ULTIMATE SERVICES FOR EVERY STAGE OF YOUR KITCHEN

We serve multiple service lines under one roof — from first sketch to final commissioning — so every client works with a single, accountable partner.

TURNKEY SOLUTIONS FOR COMMERCIAL KITCHENS

End-to-end delivery — design, equipment supply, fabrication, installation and commissioning — handled as one seamless project so kitchens open on schedule and on budget.

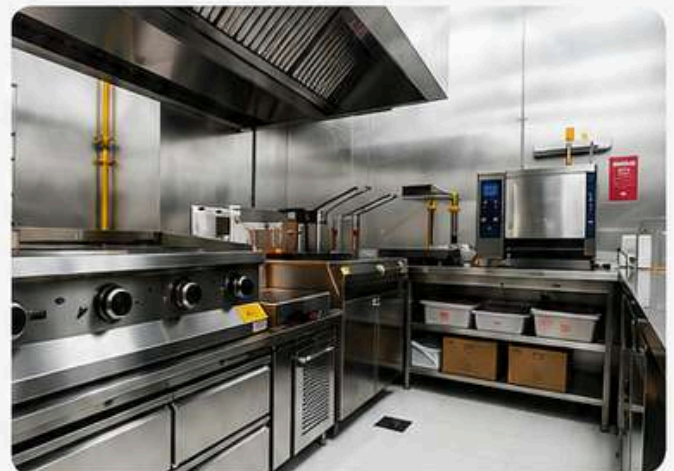

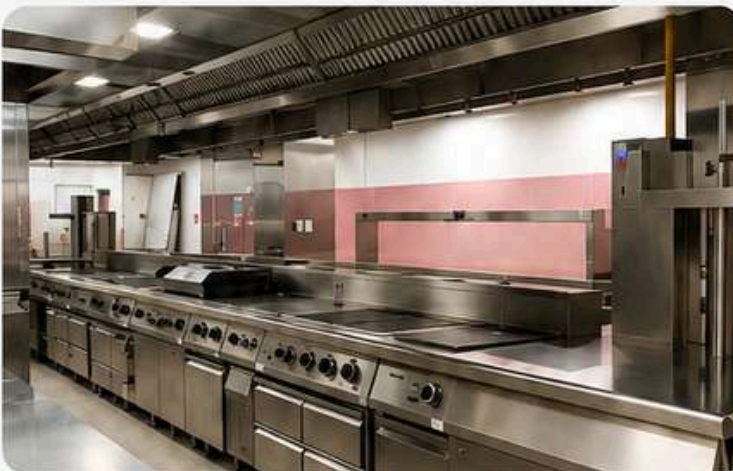

LAYOUT & DESIGN OF COMMERCIAL KITCHENS

Workflow-first layouts engineered for safety, hygiene and speed of service — balancing equipment placement, ventilation and staff movement for every kitchen footprint.

CONSULTANCY SERVICE FOR COMMERCIAL KITCHENS

Independent expert guidance on equipment specification, compliance and budget planning — drawing on 10+ years of hands-on delivery across the UAE hospitality sector.
